HOSA is a student led non-profit organization made up of high school and postsecondary students interested in healthcare careers.

Partnership Opportunities

Why Does HOSA Need Partnerships?

HOSA is committed to preparing future healthcare professionals. Our members will someday be your employees or customers. In order to provide the right opportunities for HOSA members, we need to be linked with groups and business partners such as yours in order to insure that we stay on the cutting edge of what is current in the health care community.

IDAHO HOSA is....

- A student-led, non-profit association of Future Health Professionals
- Secondary and postsecondary students in pursuit of careers in healthcare professions
- Health science teachers
- HOSA alumni & friends
- One of 10 national career & technology student organizations endorsed by the US Department of Education
- A chartered affiliate of National HOSA, a 100,000 member organization
- An organization that provides academic, technical & leadership development for almost 1000 Idaho students

Your Partnership Opportunity Provides:

Advertisement in HOSA State Leadership Program:
